

**Memorandum of Understanding  
between School of Medicine, Inha University, Korea and  
Kumudini Nursing School & College, Kumudini Post Graduate  
Nursing Institute, Bangladesh**

The aims and objectives of this Memorandum of Understanding (“MOU”) are to promote research, education and culture, and to contribute towards the mutual interests and development of both institutions. In order to accomplish these aims and objectives, Inha University and Kumudini Nursing School & College, based on mutual trust, confirm the following.

1. Both institutions shall promote the following activities based on mutual educational needs:
  - (1) Exchange of students
  - (2) Joint academic programs
  - (3) Joint cultural programs
  - (4) Special short-term academic program (such as study tour)
  - (5) Other educational exchanges
2. Both institutions shall conduct the practical implementation of the activities contemplated by this MOU only after thorough discussion and mutual consent in each instance.
3. In carrying out this Agreement, both institutions agree to maintain mutual autonomy and undertake to place no restrictions on each other.
4. This MOU is subject to modification, revision or termination by mutual consent. The party wishing to modify, revise or terminate the MOU must notify the other party six months in advance of its intention.
5. This agreement shall be in force for a period of five 5 years from the date of signing and is subject to renewal upon the agreement of both parties. This agreement is renewed automatically as long as neither party gives notice of termination to the other.
6. This MOU is not intended to create any legally binding relationship or obligations on either party.
7. This MOU shall be written in English. Each institution shall retain one copy of the authenticated MOU.
